NLATU Travel Subsidy Application

This application should be submitted by each dojang only once per fiscal year (Sep - Aug). Each individual may avail of this subsidy only once per year. Only one coach and any number of athletes may be listed. The total subsidy per dojang for the year will be divided evenly between all names listed. Please provide a follow up after each event so that we can confirm the money was used as intended, also so that we can track statistics, and post news updates to our website. If only one event is being applied for the application can be submitted in advance. If more than one event is being applied for the application must be submitted after the date of the latest event and within 30 days of that date and also must be submitted before the fiscal year end. The amounts of this subsidy will be released annually with the budget.

Dojang Name	
Mailing Address	

List all names of individuals from your dojang who wish to avail of this subsidy and are travelling or have travelled outside the province for taekwondo competition this year.
